BluePeak Warranty

Covered from your install day.

Valve moving parts (piston, seals, spacers)	As long as you own the home.
Valve electronics (screen, circuit board, timer, motor)	5 years.
Tanks	Manufacturer's warranty — we file the claim for you.
Filter media and resin	1 year against defects.
Drinking water (reverse osmosis) system	1 year.
Whole-home UV system	1 year. UV bulb is a yearly replacement, not covered.
Installation	1 year. Any leak or fault at a connection made during your install is fixed free, parts and labor.
After year 1	Covered parts are still free; the service visit to install them is charged and quoted first.

KEEP IT VALID

Keep salt in the brine tank, change filters on schedule, protect the system from freezing, and don't let anyone else alter or move it.

NOT COVERED

Normal wear, filters and membranes at end of life, freezing, flood, fire, power surge, water pressure over 80 psi, misuse.

HOW TO CLAIM

Call or text (984) 401-9826 or email clean@bluepeakwaterfiltration.com. We reply within 2 business days.

Full terms are in your customer agreement.
